

REMARKS

This amendment to the specification is responsive to the NOTICE OF DRAWING INCONSISTENCY WITH SPECIFICATION mailed November 13, 2006.

The description of the figures on page 4 is now made consistent with the description of Figure 3 on page 14, lines 13-15 where it is stated that Figure 3 shows two embodiments etc. Now that the inconsistency is removed by virtue of the present amendment, Applicants shall look forward to the issuance of the patent.

If there are any other impediments which prevent the issuance of the patent, it would be appreciated, so as to expedite the issuance, for Counsel to be telephoned at the number indicated below.

The Commissioner is hereby authorized to charge any fees associated with this response or credit any overpayment to Deposit Account No. 13-3402.

Respectfully submitted,
